GRANT APPLICATION

The primary purpose of the Grosse Pointe Foundation for Public Education (GPFPE) is to provide locally controlled, financial support to the Grosse Pointe Public School System (GPPSS) by direct contribution and through proceeds generated by an endowment. Funds raised by the GPFPE will support the school system's strategic plan and invest in areas such as: enhanced educational programming, innovative technology, classroom improvement, staff and professional development, extracurricular, co-curricular, and athletic programs and activities.

Funds raised by the GPFPE will augment, but not replace, the generous support provided by booster clubs, PTOs and other organizations that are so important to our schools.
